SUBJECT: The National Association of Conservation Districts (NACD) 2019 Poster Contest
DATE: March 1, 2020

Please find enclosed information concerning the National Association of Conservation Districts (NACD) 2019 Poster Contest. The annual Conservation Poster Contest provides kindergarten through twelfth grade students an opportunity to convey their thoughts about soil, water and related natural resource issues through art. It also highlights the educational outreach efforts of conservation districts and their state conservation associations, auxiliaries and agencies. The poster contest theme follows the annual NACD Stewardship theme. **The 2020 theme is “Where would we BEE without Pollinators?”** Each year, the poster contest starts at the district level and moves on to the state level. The Headwaters SWCD will forward our local winning poster entries to the Virginia Association of Soil and Water Conservation Districts (VASWCD) office for consideration at the state level.

The Conservation Poster Contest is open to public, private, and home school students, 4H groups, scout groups etc. Any Girl Scout or Boy Scout who creates a poster and submits it to Headwaters SWCD for judging can earn the VASWCD Poster Contest Patch.
